604 Keysburg Road • Adams, TN 37010 • (615) 696-2266

ACHWS Customer,

Effective November 1, 2017 there will be a new rate structure for all ACHWS customers. This is our first rate increase in over 4 years and represents an average increase of 5%. We know budgets are tight and we don't increase our rates without months of consideration.

New Rates:

Inside City Rates:

| | |
|---------------------------|----------------|
| Minimum Bill | \$24.50 |
| Rate per 1,000 gal | \$7.50 |

Outside City Rates:

| | |
|---------------------------|----------------|
| Minimum Bill | \$28.50 |
| Rate per 1,000 gal | \$7.50 |

Increased costs for everything from parts to sky-rocketing testing requirements necessitated this increase, for example one testing requirement for our source water will cost an estimated \$25,000 annually. Everything from increased cyber security to flushing procedures costs significantly more these days.

We appreciate your support over the years and will never stop working to maintain, improve and grow our water system. Your investment each month makes this possible and we don't take that responsibility lightly. If you have any questions or concerns you're welcome to call us at our offices or visit us during working hours Monday through Friday. Our Board of Directors meets on the 2nd Monday of each month at our offices, the meetings start at 7:00pm and are open to the public if you'd like to speak there.

Sincerely,

Stephen Ayres
