2. To maintain at my expense all necessary service lines, plumbing and fixtures from the meter (point of delivery), to the point of use.
3. To pay all monthly charges for water service. I understand that regardless of whether or not I have consumed any water, I will still be required to pay the monthly minimum charge established by the Adams-Cedar Hill Water System. I further understand that if I do not receive a statement of current monthly charges, it is my responsibility to contact the Adams-Cedar Hill Water System during normal business hours to arrange payment and the fact that I have not received a water statement does not waive my responsibility to pay those charges or any late assessments or service charges that result for my failure to remit the proper payment when it is due.
4. That the metered service connection is for the sole use of the Customer. The customer shall not permit the extension of service for the purpose of transferring water from one property to another, from one point of use to another, nor share, resell, or sub-meter water to any other person or entity; One Household per Meter.
5. To properly notify the Adams-Cedar Hill Water System when I change my mailing address.
6. That representatives of the Adams-Cedar Hill Water System shall have the right to enter the Customers property in order to: read meters, inspect for leaks, and to perform other duties necessary for the proper maintenance and operation of service, or to remove meters and equipment upon the discontinuance of service by the Customer of the Adams-Cedar Hill Water System or for evidence of tampering.
7. , The Adams-Cedar Hill Water System shall make every reasonable effort to supply continuous, uninterrupted service. However, it shall have the right to interrupt service for the purpose of making repairs, connections, extensions, or for other necessary work. Efforts will be made to notify customers who may be affected by such interruptions. The Adams-Cedar Hill Water System will not accept responsibility for losses which might occur due to such necessary interruptions, nor does the Adams-Cedar Hill Water System accept responsibility for losses due to interruptions of service caused by storms, floods, or other causes beyond its control.
8. That a guarantee of an uninterrupted supply of water cannot be granted by any water utility including the Adams-Cedar Hill Water System and that if my residence or business requires a continuous supply, then it is my responsibility to install at my expense the necessary equipment to provide an alternate water supply. I further understand that I am required by law to notify the Adams-Cedar Hill Water System of my intention to connect an alternate supply and that the Adams-Cedar Hill Water System is required by law to inspect the supply to ensure that I have included the required backflow devices to prevent possible contamination to the Adams-Cedar Hill Water System's potable water supply.
9. Accounts locked for non-payment will require a \$ 50.00 reconnection fee before service will be reactivated. A tampering fee will be charged to the customer if evidence is found.
